Town Warrant

To R. H. Trecartin, a Constable in the Town of Phillips, in the County of Franklin:

GREETING:

In the name of the State of Maine you are hereby requested to notify and warn the inhabitants of the Town of Phillips, qualified to vote in town affairs, to assemble at Lambert Hall in said town, on Monday, the sixteenth day of March, A. D. 1942, at ten o'clock in the forenoon, to act on the following articles, to wit:

ARTICLE 1. To choose a moderator to preside at said meeting.

ART. 2. To choose a clerk for the ensuing year.

ART. 3. To hear reports and allow accounts of town officers.

ART. 4. To choose selectmen, assessors, overseers of the poor, treasurer, one or more members of the superintending school committee, road commissioner, collector, fire warden, one or more constables, two or more fence viewers, sealer of weights and measures, surveyors of wood and bark, and other town officers required to be elected in March, annually.

ART. 5. To raise money for the support of schools.

ART. 6. To raise money to pay interest on school fund.

ART. 7. To raise money for repairs on school property.

ART. 8. To see if the town will vote to maintain a Free High School and raise money for the same.

ART. 9. To see what sum of money the town will vote to raise for the purchase of text-books for the ensuing year, and proceed to raise the same.

ART. 10. To see what sum of money the town will vote to raise for apparatus and appliances for school purposes for the ensuing year, and proceed to raise the same.

ART. 11. To see what sum of money the town will vote to appropriate for the payment of town officers' bills for the past year, and proceed to raise the same.

ART. 12. To see what sum of money the town will vote to appropriate for the payment of town charges for the ensuing year, and proceed to raise the same.

ART. 13. To see what sum of money the town will vote to appropriate for cutting bushes on the improved roads in town, and proceed to raise the same.

ART. 14. To see what sum of money the town will vote to appropriate for the support of highways and bridges in said town for the ensuing year, and proceed to raise the same.

ART. 15. To see what sum of money the town will vote to raise for insurance on school property, and proceed to raise the same.

ART. 16. To see if the town will vote to authorize the selectmen to procure a temporary loan or loans in anticipation of taxes for the purpose of paying obligations of the town, such loan or loans to be paid during the current municipal year out of money raised during said current municipal year by taxes.

ART. 17. To see if the town will vote to raise money to tar village streets, and proceed to raise the same, also to take any other action in regard to the matter.

ART. 18. To see if the town will vote to raise the sum of \$400.00 to pay interest on its outstanding bonds, which will be due and payable during the current municipal year.

ART. 19. To see if the town will vote to raise the sum of \$2,000.00 to pay outstanding bond due April 1st, 1942.

ART. 20. To see what sum, if any, the town will recommend to take from the joint State Aid account for the purpose of applying bituminous surface treatment to State Aid roads, built within the past five years, in accordance with the provisions of Chapter 132, P. L. 1935.

ART. 21. To see what sum of money the town will appropriate and raise for State Aid construction (in addition to the amount regularly raised for the care of ways, highways and bridges) under the provisions of Section 19, Chapter 28, Revised Statutes of 1930, or under the provisions of Section 3, Chapter 229, Public Laws of 1937.

ART. 22. To see if the town will vote to appropriate the sum of \$928.00 for the maintenance of Third Class roads, and proceed to raise the same.

ART. 23. To see what sum of money the town will vote to raise for patrol of State Highway, and proceed to raise the same.

ART. 24. To see what sum of money the town will vote to appropriate for plowing and breaking winter roads, and proceed to raise the same.

ART. 25. To see if the town will vote to appropriate the necessary amount to pay that part of the town debt consisting of the outstanding notes of the Town representing money borrowed in anticipation of taxes of 1941 in the sum of eight thousand dollars (\$8,000) and the interest thereon now overdue and unpaid.

ART. 26. To see if the town will vote to continue the school in the Reed district.

ART. 27. To see if the town will vote to raise \$300.00 for expenses of Alumni Hall for free use to the schools.

ART. 28. To see what sum of money, if any, the town will vote to appropriate for purchasing snow fence, and proceed to raise the same.

ART. 29. To see what sum of money the town will vote to raise for repairs on tractor, and proceed to raise the same.

ART. 30. To see what sum of money the town will vote to appropriate to aid in the observance of Memorial Day, and proceed to raise the same.

ART. 31. To see if the town will vote to raise the sum of \$300.00 for Civilian Defense.

ART. 32. To see if the town will vote to discontinue the road leading from Ira Pratt's turn to the West Phillips road, Reed Hill road, so-called.

ART. 33. To see what sum of money the town will appropriate for the purchase of books and for the support of the Free Public Library, and proceed to raise the same.

ART. 34. To see if the town will vote to authorize its treasurer, and his successor in office, until further action taken by the town, to deed to the proper party any title or interest the town may have acquired in real estate, through tax deeds or tax liens, upon payment to the town of the amount of the tax and such interests and costs as may be determined by the selectmen.

ART. 35. To see what sum of money the town will vote to appropriate for the abatement of taxes for the ensuing year, and proceed to raise the same.

ART. 36. To see if the town will vote to commit the taxes of 1942 on or before the first day of June, and when to make same payable.

ART. 37. To see if the town will vote to instruct the collector to mail a notice to each taxpayer on or before the twentieth of June, A. D. 1942, giving the amount of tax, tax rate, date when unpaid taxes begin to draw interest, and the rate of interest.

ART. 38. To see what sum of money the town will vote to appropriate for the support of poor for the ensuing year, and proceed to raise the same.

ART. 39. To see what sum of money the town will vote to raise and appropriate for advertising our natural resources, advantages and attractions, under the provisions of Chapter 5, Section 82, of the Revised Statutes of 1930, said sum to be expended under the direction of the State Publicity Bureau.

ART. 40. To see what sum of money the town will raise to pay for the services of a school physician, the same to be the health officer.

ART. 41. To see if the town will vote to raise money to pay on the overdrafts.

ART. 42. To see if the town will vote to purchase a small portable pumper, and proceed to raise money for the same.

ART. 43. To see what sum of money the town will vote to raise for Mothers' Aid, and proceed to raise the same.

ART. 44. To transact any other business that may legally come before said meeting.

The Selectmen hereby give notice that they will be in session for the purpose of revising and correcting the list of voters, at Lambert Hall in said town, at nine o'clock in the forenoon on the day of said meeting.

Given under our hands at Phillips, Maine, this twenty-eighth day of February, A. D. 1942.

LEON R. WING,
CHARLES E. TOOTHAKER,
HAROLD W. WORTHLEY,

Selectmen of Phillips.

Report of Superintendent of Schools

To the Superintending School Committee and Citizens of the Town of Phillips:

LADIES AND GENTLEMEN:

This is the tenth in a series of annual reports submitted to you by the present Superintendent of Schools.

The past year has been one that has brought about very little change in our regular school system. We do not know what the coming year will bring. We are to be called upon to contribute our efforts to the defense program and already plans are being made to have the elementary teachers assist in the sugar rationing program.

It is the desire of the schools and the school officials to co-operate in every way with the defense program that is now being set up. We hope to have the school house used for any meetings that are necessary. It is the plan now to use the Superintendent of Schools' office as a central station for the air warden service. A telephone has already been installed. As soon as definite instructions are given to us we will make what provisions we can to safeguard our children in case of bombing, such as providing air-raid alarms, air-raid drills, extinguishers for bombs, screens for the windows and probably some instructions in first aid for the older students. We have not gone ahead with this at the present time because of the lack of definite plans and instructions that will, no doubt, soon be forthcoming from the Defense Coordinators.

FINANCES. This year we had available in our school fund the amount of \$13,926.24 less an overdraft of \$139.38. We have expended \$13,425.20, approximately the same as a year ago. It will be noted in the financial statement that the last pay roll has not been paid because of a desire of the town officials to have ready cash for another purpose, but that it has been charged to the school account and completes, as far as the school accounting goes, 36 weeks of school expenditures.

We have been very fortunate in collecting a much larger amount of tuition than has been possible in past years. The rate of high school tuition has gone up to \$83.00 as it has to be based on the per capita cost of the preceding year.

We have tuition students from the towns as follows:

	HIGH SCHOOL	GRADE SCHOOLS
Avon	19	45
Madrid	7	3
State of Maine		1
Carthage	1	
New Vineyard	1	
	<hr/> 28	<hr/> 49

This is the largest tuition enrollment we have had in several years but we cannot tell what the number or the revenue from this source will be another year. Five of the high school students from Avon and two from Madrid are graduating and we have no knowledge of any coming in as it is unusual that we have only one Avon pupil at present in our eighth grade. A difference of seven students can make quite a reduction in the school resources. This is being mentioned only for the reason to show that it is absolutely impossible for us to estimate within several hundred dollars what our resources are to be from year to year.

Schools like all industries are going to cost more during the coming year. It is interesting to note that eleven years ago we spent from our school fund the amount of \$15,600.39. This year as already stated we have expended from the same fund \$13,425.20, a difference of \$2,175.19.

We are going to face a serious condition during the coming year in the matter of transportation of pupils. We will be able to have a priority on the purchase of tires for only the buses that have a seating capacity of more than 10 pupils.

INSTRUCTION. At the close of the last spring term, Donald Sparks who had been teaching French and history in the high school resigned to accept a position in Bangor. Alton Black, a graduate of Dartmouth, was secured for this position. He has also had charge of the coaching of football, basketball and will have baseball this spring term. This was the only change in our high school staff.

Miss Velma Morrell who had taught in the second and third grades for two years resigned to take up secretarial work and her place was filled by Miss Winnifred Keating, a graduate of Farmington Normal School. Miss Keating resigned after teaching six weeks and Mrs. Ava Twitchell, a graduate of Farmington Normal School, was secured for this position.

Miss Virginia Tyler resigned her position at the end of the spring term and Miss Ada Whittier was hired to fill this position but after teaching fifteen weeks she resigned and Mrs. Lena Witham, a graduate of Machias Normal, is now teaching. Miss Phebe Beal resigned at the end of the fall term and Mrs. Zernie Webber is in this school. We have had more than our usual change of teachers in this department.

REPAIRS. Last year we asked for an appropriation under this heading to provide for the laying of a hard wood floor in the second and third grade room. This was done at an approximate cost of \$180.00. Other repair expenses consisted of plumbing and hardware supplies, floor oil and disinfectant. Boards were placed over the windows of the Cushman School (that has been closed for some time). This was done to protect it from vandals. The same thing will be done to the Prescott School this spring.

Next year the automatic flush tank in the toilets will have to be replaced. Also the sewer going from the little school will have to be dug up as this is the second winter it has bothered about freezing. It has been planned to continue the repairs to the floors, by relaying the one in the fourth and fifth grade room. Our roofs are all in good shape and there are no major repairs necessary for the coming year (other than those mentioned) and of course the innumerable and un-anticipated breakdowns that occur during the year.

ACTIVITIES. We have had our usual number of extracurricular activities. The Community Building has been available to the school for basketball but the cost is rather of a burden. In fact it does not seem that from their own finances it will be possible for the schools to pay for the rental which is regulated by the Legion at its actual cost. Of course it is absolutely necessary to have money for its upkeep. To have such a fine building placed in our community available for the use of the children of the town it does seem that the citizens would appreciate this opportunity to the extent of wanting to assume some of the responsibility of its maintenance.

Probably many of the activities of the coming year will have to be curtailed. Many of those that will require transportation between towns will, because of the restrictions on transportation, have to be eliminated and our athletics will have to take the form of intramural competition.

This year we have attempted to start some course in our schools that would develop manual skills. In some rooms good results have been secured. It is now planned to have an exhibition of the results of this pioneer course sometime before the close of school this spring.

Our band has continued and we plan now to put on a broadcast over "Maine Schools on the Air" sometime in April. This broadcast will be from the town of Kingfield but will have children from all of the towns taking part.

HIGH SCHOOL. We have made few changes in our courses and in fact are limited as to instructors and room, making it impossible to have more and diversified courses.

Following is a report submitted by Mr. Whittemore.

To the Superintendent of Schools:

Our school enrollment at the beginning of the fall term was as follows:

	BOYS	GIRLS	RESIDENT	NON-RESIDENT	TOTAL
Grade 9	10	12	15	7	22
Grade 10	8	7	10	5	15
Grade 11	7	9	11	5	16
Grade 12	11	12	18	11	29
	<hr/> 42	<hr/> 40	<hr/> 54	<hr/> 28	<hr/> 82

The average attendance for the fall term was 77. Seven students have left since the start of school in September.

Many of our high schools throughout the state are somewhat smaller this year. This always happens when there is a shortage of labor. I am very glad to see so many of our young people continuing their education. Mr. Cotton, our State Vocational Director, recently spoke to our student body and advised every student to finish high school. He spoke of Dexter and Quoddy and the wonderful opportunity these schools offered our high school graduates. In these schools our boys can earn a small wage while learning a good trade.

Donald Sparks resigned during the summer vacation to accept a better position in Bangor. Mr. Alton Black, a graduate of Dartmouth, was elected to fill the vacancy. Mr. Black is very much interested in his work, and is an excellent coach. We have carried on our regular school activities, but we may have to curtail many of these another year because of the transportation problem. It may result in more inter-class competition within our own school, and make possible participation for all rather than a selected few.

This year we are debating the question of one year military training for all boys between the ages of 19 and 20. Many of our questions in the past have been too difficult for the average student. This question appeals to the student, for it affects the life of each boy as soon as he graduates from high school. We hope that many will be able to listen to these debates on March 27th. Our final speaking contest will be held at Rangeley March 24th. There seems to be more interest in our speaking this winter.

Mr. Knowles is leading and directing our band again this year. He started a good group last fall and these boys and girls will be playing in the band this spring. The band will play for the school broadcast at Kingfield, March 15th. I consider that we are very fortunate in having Mr. Knowles in our school two days each week and I am pleased to see his classes increasing each year.

We have a very good record system for our students. Almost invariably a copy of this record is called for when any boy or girl applies for a position. The attendance is considered very important. If this is poor all four years it indicates either poor health or a lack of interest and in either case it does not help the applicant.

We have used the new building this winter for basketball. The boys and girls certainly enjoy the larger floor. The teams were well coached and played some very close and interesting games. We were glad to have the grammar school represented by two teams this year.

We need chairs for the building. Who will be the first to suggest a plan, and then see that it is carried through? How about our Alumni Association? I feel that this organization should be more active.

In closing I wish to thank all those who have helped to make our school year a success.

Respectfully submitted,

P. G. WHITTEMORE.

INSURANCE. This account needs a bit of explanation. We had appropriated the sum of \$419.00 with an unexpended balance of \$14.50 making available \$433.54. We have paid one policy of \$210 and another of the same amount was due and put in force but because of unavoidable delay a bill was not presented in time for payment before the books closed.

We now have as insurance on our village school buildings and equipment the amount of \$16,000 and on our rural schools a total of \$1,300. We also carry boiler insurance on the heating plant in the high school building. This is at a cost of \$13.60 a year and provides us a yearly inspection. It seems wise to point out that the inspectors after the last inspection wrote the school officials telling them that they must anticipate the installation of a new boiler in the not too distant future. Their opinion was that this one was nearly worn out and might become useless at any time.

RECOMMENDATION. As has already been stated our schools must cost more next year. Fuel, supplies, textbooks are all going to be higher and in some instances hard to secure.

It is the desire of the school officials to increase the teachers' salaries. We believe whatever increase is made can be taken care of by an anticipated equalization fund, the amount of which we cannot accurately estimate.

The amounts recommended for the coming year by the School Committee are as follows:

Common Schools	\$4,500
High School	3,350
Textbooks	500
Supplies	500

If another floor is laid as planned a year ago, it will take an appropriation under:

Repairs	\$400
---------	-------

For insurance we will have coming due two policies totaling \$210.00 and a policy on the boiler amounting to \$13.60. This will necessitate an appropriation of \$223.60.

CONCLUSION. It is our sincere hope that the education of our boys and girls will not be neglected during these trying times. I am sure that the teachers join me in expressing appreciation of the helpful interest and co-operation of the parents and school officials.

Respectfully submitted,

T. A. DeCOSTA.

Report of Health Officer

To the Citizens of the Town of Phillips:

I hereby submit my report as School Physician and Health Officer of the Town of Phillips, from April 1, 1941 to March 1, 1942.

Examinations of two hundred twenty-five elementary and rural school children were made last spring, for carious teeth, diseased tonsils and enlarged glands.

In the Fall, seventy-seven High School pupils were given the following examination at my office: complete urinalysis, carious teeth, diseased tonsils, enlarged glands, heart, lungs, blood pressure, and feet for fallen arches or Athletes Foot. Only a few serious defects were found. Complete reports were sent to the parents, and I sincerely hope they have or will consult their family physician and have these corrected if possible.

This winter fifty-five Grammar School pupils were examined and reported for carious teeth, diseased tonsils, enlarged glands, heart, lungs, and feet looked at if any complaints were made.

The routine examination of eyes, ears, and weight have been done by the teachers as usual, and serious defects reported to me for re-examination.

In the spring term free vaccination, Schick test, and Immunization will be offered.

Forty-three communicable diseases were reported. Thirteen home visits and twelve office calls, four rural school visits, and nine town school visits were made for skin or communicable diseases. I wish all citizens would bear in mind that measles, scarlet fever, german measles, whooping cough, mumps, influenza (grippe), and septic or epidemic sore throats, must be reported to the Health Officer, though the patient may not be sick enough to call a Doctor. Only the first two of the above named must be quarantined. The less common and more serious diseases, as small pox, diphtheria, pneumonia, etc., would

naturally require medical attention, and would be reported and quarantined as necessary

The only epidemic of children's diseases that has occurred during the past year is chicken pox. As a whole I think the general health of our school children is very good. Let's keep it so.

Respectfully submitted,

CECIL F. THOMPSON, M. D.

Vital Statistics

To the Selectmen of the Town of Phillips:

GENTLEMEN:—The following births, deaths and marriages were reported to this office for the year ending February 28, 1942.

BERTHA AUSTIN, *Town Clerk.*

BIRTHS

March 26, 1941, in Farmington, to the wife of John Prescott, a son, named Malcolm Lewis.

May 24, 1941, in Phillips, to the wife of Donald Hodges, a son, named Lorrimer Bruce.

May 31, 1941, in Farmington, to the wife of Glendon Dill, a son, named Courtland Bennett.

June 19, 1941, in Phillips, to the wife of Albert Tyler, a daughter, named Marilyn Lorraine.

June 24, 1941, in Farmington, to the wife of Austin Sargent, a daughter, named Madeline Jean.

June 30, 1941, in Phillips, to the wife of Carl Kennedy, a son.

July 19, 1941, in Farmington, to the wife of Vernet Whittemore, a son, named Donald Colby.

July 23, 1941, in Phillips, to the wife of George Raffety, a daughter, named Lyris Lorraine.

August 9, 1941, in Lewiston, to the wife of Leo Dumoulin, a daughter, named Jane Louise.

Sept. 7, 1941, in Farmington, to the wife of Robert Holcomb, a daughter, named Judith Charlotte.

Sept. 30, 1941, in Phillips, to the wife of Robert Heminway, a son, named Roger Melvin.

Sept. 30, 1941, in Farmington, to the wife of Walter Winquist, a daughter, named Judith Ann.

Oct. 14, 1941, in Farmington, to the wife of Kenneth Mecham, a son, named Robert Kenneth.

Oct. 18, 1941, in Phillips, to the wife of James Abbott, a daughter, named Alice Jean.

Oct. 19, 1941, in Phillips, to the wife of Charles Deraps, a daughter, named Beverly Ann.

Nov. 4, 1941, in Phillips, to the wife of Kenneth Whorff, a daughter, named Carolyn Mertie.

Dec. 2, 1941, in Farmington, to the wife of Charles Thurlow, a daughter, named Susan Elizabeth.

Dec. 7, 1941, in Phillips, to the wife of Frank Weston, a son, named Richard Gregory.

Dec. 23, 1941, in Farmington, to the wife of Stanley Bubier, a son, named Robert Everett.

DEATHS *

Feb. 28, 1941, in Phillips, John Marson, age 86.

March 9, 1941, in Farmington, Myrtie Heath Nile, age 49.

March 27, 1941, in Phillips, Elvira Wing, age 85.

April 3, 1941, in Phillips, Wesley Kempton, age 79.

April 11, 1941, in Phillips, Olie Reynolds Bennett, age 70.

April 9, 1941, in North Jay, Cora Masterman Wheeler, age 85.

May 7, 1941, in Avon, Austin T. Voter, age 63.

May 9, 1941, in Phillips, James Edwin Cushman, age 56.

May 27, 1941, in Farmington, Wesley Burton Stinchfield, Jr., age 2 days.

June 10, 1941, in Lewiston, Jerry Wilbur, age 77.

June 20, 1941, in Phillips, Elmer W. Voter, age 77.

June 23, 1941, in Bourne, Mass., Ernest M. Moores, age 34.

June 28, 1941, in Berkeley, Calif., Margery Ross Skolfield, age 67.

July 1, 1941, in Phillips, infant son of Mr. and Mrs. Carl Kennedy.

July 17, 1941, in Farmington, infant son of Mr. and Mrs. Irwin Kempton.

Aug. 1, 1941, in Farmington, Harry S. Bates, age 57.

Aug. 8, 1941, in Portland, Ida Morton, age 68.

Aug. 22, 1941, in Farmington, Dana L. Witham, age 65.

Aug. 24, 1941, in Phillips, George L. Trefethern, age 58.

Aug. 30, 1941, in Phillips, Leonard A. Kinney, age 48.

Sept. 8, 1941, in Phillips, Albert R. Sedgely, age 66.

Sept. 8, 1887, in Weld, Scotie Lura Beedy, age 1 mo.

Sept. 25, 1941, in Avon, Fred Dyer, age 71.

Oct. 3, 1941, in Livermore Falls, infant daughter of Mr. and Mrs. Clarence Beedy.

Oct. 20, 1941, in Farmington, Ida E. Berry, age 79.

Oct. 21, 1941, in Phillips, Maria A. Beedy, age 84.

Oct. 26, 1941, in Boston, Grace E. Stanley, age 81.

Dec. 1, 1941, in Portland, Patrick Kelley, age 60.

Dec. 6, 1941, in Avon, Ada Mitchell Tyler, age 44.

Dec. 8, 1941, in Rumford, Annie L. Maxwell, age 60.

Dec. 6, 1941, in Avon, infant daughter of Mr. and Mrs. Herman Tyler.

Dec. 16, 1941, in Phillips, Delia F. Hinds, age 63.

Town Warrant

*To R. H. Trecartin, a Constable in the Town of Phillips, in the
County of Franklin:*

GREETING:

In the name of the State of Maine, you are hereby requested to notify and warn the inhabitants of the Town of Phillips, qualified to vote in town affairs, to assemble at Alumni Hall in said town, on Monday, the fifteenth day of March, A. D. 1943, at ten o'clock in the forenoon, to act on the following articles, to wit:

Article 1. To choose a moderator to preside at said meeting.

Art. 2. To choose a clerk for the ensuing year.

Art. 3. To hear reports and allow accounts of town officers.

Art. 4. To choose selectmen, assessors, overseers of the poor, treasurer, one or more members of the superintending school committee, road commissioner, collector, fire warden, one or more constables, two or more fence viewers, sealer of weights and measures, surveyors of wood and bark, and other town officers required to be elected in March annually.

Art. 5. To raise money for the support of schools.

Art. 6. To raise money to pay interest on school fund.

Art. 7. To raise money for repairs on school property.

Art. 8. To see if the town will vote to maintain a Free High School and raise money for the same.

Art. 9. To see what sum of money the town will vote to raise for the purchase of text-books for the ensuing year, and proceed to raise the same.

Art. 10. To see what sum of money the town will vote to raise for apparatus and appliances for school purposes for the ensuing year, and proceed to raise the same.

Art. 11. To see what sum of money the town will vote to appropriate for the payment of town officers' bills for the past year, and proceed to raise the same.

Art. 12. To see what sum of money the town will vote to appropriate for the payment of town charges for the ensuing year, and proceed to raise the same.

Art. 13. To see what sum of money the town will vote to appropriate for cutting bushes on the improved roads in town, and proceed to raise the same.

Art. 14. To see what sum of money the town will vote to appropriate for the support of highways and bridges in said town for the ensuing year, and proceed to raise the same.

Art. 15. To see what sum of money the town will vote to raise for insurance on school property, and proceed to raise the same.

Art. 16. To see if the town will vote to authorize the selectmen to procure a temporary loan or loans in anticipation of taxes for the purpose of paying obligations of the town, such loan or loans to be paid during the current municipal year out of the money raised during said current municipal year by taxes.

Art. 17. To see if the town will vote to raise money to tar village streets, and proceed to raise the same, also to take any other action in regard to the matter.

Art. 18. To see if the town will vote to raise the sum of \$360.00 to pay interest on its outstanding bonds, which will be due and payable during the current municipal year.

Art. 19. To see if the town will vote to raise the sum of \$2,000.00 to pay outstanding bond due April 1st, 1943.

Art. 20. To see what sum, if any, the town will recommend to take from the joint State Aid account for the purpose of applying bituminous surface treatment to State Aid roads, built within the past five years, in accordance with the provisions of Chapter 132, P. L. 1935.

Art. 21. To see what sum of money the town will appropriate and raise for State Aid construction (in addition to the amount regularly raised for the care of ways, highways and bridges) under the provisions of Section 19, Chapter 28, Revised Statutes of 1930, or under the provisions of Section 3, Chapter 229, Public Laws of 1937.

Art. 22. To see if the town will vote to appropriate the sum of \$928.00 for the maintenance of Third Class roads, and proceed to raise the same.

Art. 23. To see what sum of money the town will vote to raise for patrol of State Highway, and proceed to raise the same.

Art. 24. To see what sum of money the town will vote to appropriate for plowing and breaking winter roads, and proceed to raise the same.

Art. 25. To see what sum of money the town will vote to raise for the services of a Public Health nurse.

Art. 26. To see if the town will vote to continue the school in the Reed district.

Art. 27. To see what sum of money the town will raise for expenses of the Community building for free use to the schools and Home Guard.

Art. 28. To see what sum of money, if any, the town will vote to appropriate for purchasing snow fence, and proceed to raise the same.

Art. 29. To see what sum of money the town will vote to raise for repairs on tractor, and proceed to raise the same.

Art. 30. To see what sum of money the town will vote to appropriate to aid in the observance of Memorial Day, and proceed to raise the same.

Art. 31. To see if the town will vote to raise the sum of \$300.00 for Civilian Defense.

Art. 32. To see if the town will vote to raise the sum of \$50.00 to be used to improve the cemeteries.

Art. 33. To see what sum of money the town will appropriate for the purchase of books and for the support of the Free Public Library, and proceed to raise the same.

Art. 34. To see if the town will vote to authorize its treasurer, and his successor in office, until further action taken by the town, to deed to the proper party any title or interest the town may have acquired in real estate, through tax deeds or tax liens, upon payment to the town of the amount of the tax and such interests and costs as may be determined by the selectmen.

Art. 35. To see what sum of money the town will vote to appropriate for the abatement of taxes for the ensuing year, and proceed to raise the same.

Art. 36. To see if the town will vote to commit the taxes of 1943 on or before the first day of June, and when to make same payable.

Art. 37. To see if the town will vote to instruct the collector to mail a notice to each taxpayer on or before the twentieth of June, A. D. 1943, giving the amount of tax, tax rate, date when unpaid taxes begin to draw interest, and the rate of interest.

Art. 38. To see what sum of money the town will vote to appropriate for the support of poor for the ensuing year, and proceed to raise the same.

Art. 39. To see what sum of money the town will vote to raise and appropriate for advertising our natural resources, advantages and attractions, under the provisions of Chapter 5, Section 82, of the Revised Statutes of 1930, said sum to be expended under the direction of the State Publicity Bureau.

Art. 40. To see what sum of money the town will raise to pay for the services of a school physician, the same to be the health officer.

Art. 41. To see if the town will vote to raise money to pay on the overdrafts.

Art. 42. To see what sum of money the town will vote to raise for Mothers' Aid, and proceed to raise the same.

Art. 43. To see if the town will vote to accept the Cemetery Trust Funds as printed.

Art. 44. To transact any other business that may legally come before said meeting.

The Selectmen hereby give notice that they will be in session for the purpose of revising and correcting the list of voters, at Alumni Hall in said town, at nine o'clock in the forenoon on the day of said meeting.

Given under our hands at Phillips, Maine, this twenty-seventh day of February, A. D. 1943.

LEON R. WING,
CHARLES E. TOOTHAKER,
HAROLD W. WORTHLEY,

Selectmen of Phillips.

Report of Superintendent of Schools

To the Superintending School Committee and Citizens of the Town of Phillips:

LADIES AND GENTLEMEN:

It is a pleasure to present to you my twelfth annual report relative to the condition, efficiency and needs of the schools under my supervision.

This report must necessarily be brief but it will be an attempt to show the work, efficiency and needs of the schools.

FINANCES and RECOMMENDATIONS. Our expenditures of this year have increased \$1,200 over those of the preceding year.

	1942	1943	Increase
Teachers, Common School	\$5,248 40	\$5,604 80	\$356 40
Teachers, High School	3,436 64	3,744 63	307 99
Fuel	664 14	985 78	321 64
Janitors	819 20	875 00	55 80
Conveyance	2,000 50	2,186 94	186 44
Textbooks	531 61	591 71	60 10
Supplies	724 71	636 10	* \$88 61
	<hr/> \$13,425 20	<hr/> \$14,624 96	<hr/> \$1,288 37 88 61

Increased costs for year \$1,199 76

* The only item where the cost has been less than last year.

None of these increases, with the exception of Fuel, show an increase of greater than 9%; and what business has not had a greater increase in expenditures than this percentage shows during the past year? Where for the last ten years we have never paid more than \$6.00 per cord for wood, this year we are paying an increase of more than 50%.

Fortunately, our receipts have been greater than a year ago. We received more for tuition, and an equalization fund from the State. In the annual report of 1942 under the heading of *Recommendations* it was stated "—our schools must cost more next year. Fuel, supplies, textbooks are all going to be higher and in some instances hard to secure. It is the desire of the school officials to increase the teacher salaries. We believe whatever increase is made can be taken care of by an anticipated equalization fund, the amount of which we cannot accurately estimate." The amount of this fund and the increase in tuition was more than enough to take care of our increased costs.

Next year our expenses will increase in all departments. To quote from the last issue of the Maine School Bulletin, "The most serious single problem facing the schools at this moment is the shortage of teaching personnel. This lack of teachers is nation wide in scope but is much more acute in states like Maine where salaries have been very low. Results of recent surveys reveal that more than one thousand Maine teachers left our schools between July 1 and October 1, 1942. The origin of this critical situation lies, of course, in the tremendous manpower demands of war, and as these demands increase, the drain on teaching personnel will become steadily worse. We in Maine must give this problem immediate attention, since our schools are already being closed for lack of teachers."

Textbooks and supplies are going to be more and now we are having difficulty in securing some materials. I do not believe that we can look for anything less than a 10% increase. Where our schools this year have cost us approximately \$14,600.00, next year they will cost \$15,950.00.

The anticipated costs would be distributed as follows:

Teachers, Common School	\$6,200 00
Teachers, High School	4,200 00
Fuel	1,000 00
Janitors	950 00
Conveyance	2,400 00
Textbooks	600 00
Supplies	600 00
	<hr/>
	\$15,950 00

That cost will be \$600.00 under what it cost to operate the schools in Phillips in 1928-29-30-31 or 32.

However, with this anticipated increase we do not feel that we will have to ask for an increase in appropriation. We have the unexpended balance, which is \$763.36 more than last year, and we anticipate another equalization fund, less than that of this year; but we do not feel that our tuition will be any less. Of course this is a thing that cannot accurately be foretold.

INSTRUCTION. We have had only one change in the High School personnel during the past year. Alton Black, who taught French and History, resigned to go to Northeast Harbor, and Miss Elaine Hardie, a graduate of Bates College, was secured for this position. In the elementary schools Mrs. Phyllis Raymond resigned, and Mrs. Emma York was secured for this place. Mrs. Ava Twitchell resigned from the second and third grade position and it was necessary to transfer Mrs. York to the second and third grade room, and Mrs. Maxine Richmond was secured as assistant in the grammar school. Mrs. Amanda Hinds resigned, to accept a position in Portland, and Mrs. Ella Ronco was hired to teach in the fourth and fifth grade room. Mrs. Phebe Grant resigned her position in the Blethen School and Mrs. Lena Worcester taught during the Fall Term. She unfortunately had to leave because of poor health and Mrs. Esther Winters, a graduate of Farmington Normal, is teaching in Blethen.

We were very fortunate in not having a greater turnover in our teaching force.

It seems that the quality of the work now being done is of a high order. During the Fall Term achievement tests were given to every boy and girl in the district. We find a comparison of the attainments of the Phillips boys and girls with those of the pupils in the other schools of this district to be very favorable. From a state-wide comparison they were very satisfactory.

Teachers have given of their time and work in carrying on the war effort. They have, with the assistance of volunteers, carried out three registrations very efficiently and willingly. They have promoted the sale of War Stamps, Victory Corps, and in fact are doing their part in tuning the schools to the pitch that civil life has to have during this war.

HIGH SCHOOL. It is a great satisfaction to know that we have been able to keep our boys and girls in high school during this trying time. Last year we had a registration of approximately 80 students and this year we have 70, which is a very small loss compared to many of the high schools in Maine.

Following is a report submitted by Mr. Whittemore:

To the Superintendent of Schools:

Due to the war and increased demand for labor our high school is somewhat smaller this year. The following table shows the number of boys and girls registered by classes and the tuition students.

	Boys	Girls	Phillips	Avon	Madrid	Total
Seniors	5	6	8	2	1	11
Juniors	6	8	8	5	1	14
Sophomores	16	8	18	4	2	24
Freshmen	6	15	13	5	3	21
	—	—	—	—	—	—
Total	33	37	47	16	7	70

At the present time our enrollment is 66. Lois Campbell entered the N. Y. A. School at Dexter January 1st, Virgin Sampson was inducted into the U. S. Army February 16th, Morton Burnham enlisted in the Navy November 27th and was called February 23rd, and Elwood Campbell will be inducted into the Army March 8th. We have five boys in the three lower classes who are either eighteen or will be before next September 1st. These boys may be called into the Service during the summer months. Any boy inducted into the Service before completing his high school course may receive his diploma at a later date, providing he can show he has received equivalent training in Army schools. The State Department of Education has accepted the responsibility of deciding each individual case.

The war has once more pointed out the need of more physical education in our schools. The State now requires a minimum of three hours each week. Our new building has been ideal for this training, but as soon as weather conditions permit we shall move outside where a more varied program can be carried on. Nineteen of our boys are members of the Home Guard.

In the class room we are placing greater emphasis on Math., Science, and English. We have introduced a course on the Radio Code for the second semester. This is the same as is given in the Army and each student is expected to be able to receive ten words per minute before the completion of the course. Another year we are told that several other courses, such as radio, aeronautics, and electricity may be required. If the war lasts long, more and more of our boys will be called into the Service, and they must have a better knowledge of these subjects. It is an all-out war for our schools and colleges today.

The school has taken an active part in the issuing of all rationing books, first for sugar, later for gasoline, and the past week for all canned goods. Last fall a very successful scrap drive was conducted. Many of our boys and girls have taken courses in first aid, and some are now serving as wardens, messengers, and observers.

The Legion purchased two hundred chairs this winter. The schools contributed \$100 from the scrap drive; and the band and basketball team contributed \$50 and \$65 respectively. The schools plan to give an exhibition the last of March. All proceeds will go for needed improvements at the building. The \$300 raised by the town has just about paid for the services of the janitor and the electric lights.

Last year the Legion expended \$2,000 on this building and received an appropriation of \$300. The committees in charge certainly deserve a great deal of credit for their efforts in raising these necessary funds.

The last news sheet was sent out to more than one hundred boys in the Service. The boys enjoy the news from home, and if any citizen has a message for those in the Service, please pass it on to the school, and we will see that it is printed and forwarded in the next issue.

In closing, I want to urge all parents to keep their boys and girls in school as long as possible, and to require more home work. Nearly all failures are due to lack of home study, and after a few failures the boy or girl is allowed to drop out of school. We all like to do those things we have learned to do well, and more school work means fewer failures, happier and more contented students in school, and a better chance of more successfully meeting problems later in life.

Respectfully submitted,

P. G. WHITTEMORE,

Principal Phillips High School.

REPAIRS. At the last annual town meeting the citizens appropriated the sum of \$400 for this department. We anticipated at that time that it was going to be possible for us to lay a new floor in the fourth and fifth grade room. Because of the difficulty in securing labor and materials this project was fortunately abandoned, as we were faced with unanticipated repairs to our plumbing system. For years the tank that operates the automatic flushes has bothered and has had to be constantly repaired. This year we found it absolutely necessary to have a

new one made and installed. This was a much greater expense than we anticipated. We had to make quite extensive repairs to the sewers.

Next year new grates will have to be purchased for the furnace in the Primary Building. The roof to the fire escape will have to be repaired. Of course we also face unforeseen expenditures under this department and it does not seem to me that an appropriation of \$400 a year to maintain five buildings in a good state of repair is an unreasonable amount to have available.

CONDITION OF BUILDINGS. Our roofs, with the exception of the statement in the foregoing paragraph, are all in good condition. The interior of the Village Building is excellent, with the exception of the floors, (that we found it impossible to lay last year) which we will repair as soon as material and labor are available.

The building is clean in every room and corner and its sanitary condition is comparable to that of any public school building in Maine. Those of you who visited it during the registrations probably noted this fact. The toilets are clean and are constantly kept that way. Every room in the building is swept every school day of the year.

Unfortunately, during the summer before boards were placed over the windows in the Prescott School, vandals in the form of young boys broke all the window glass and in some instances frames of windows in the building. The parents of these boys have agreed to pay for the repairs that will be necessary to put the building in its original condition. One parent has paid the sum of \$10.00 and another parent has agreed to do the work. The building will be put back in its original condition, as it is the policy of the school officials to keep these abandoned buildings up and not let them go to ruin.

ACTIVITIES. This year, because of transportation difficulties, our extra-curricular activities have had to be curtailed.

The use of the Community Building that was made available to us by the voters appropriating \$300 at the last annual meeting, has been a wonderful thing for our schools. We are required in the high school to have three hours per week of physical education for both boys and girls. If we had not had this building available it would have been difficult to have carried on these courses. Of course its availability for basketball was greatly appreciated.

The band, under the leadership of Mr. Knowles, has been carried on as in former years and I feel that the boys and girls should be commended for voting to turn over \$50.00 from their fund for the purchase of chairs for the Community Building.

We have eliminated the speaking contests but will probably try to carry on with speaking competition if the contests have to be of an intra-mural nature. Sometime in the not too distant future we plan to have a school exhibition, as we have had in former years.

CONCLUSION. This year we have been attempting to maintain the standard and efficiency of our schools under circumstances and conditions that have made it very difficult. Our schools have to be adjusted to war conditions and I feel that the patriotism that has prompted a greater amount and more intensive work on the part of all of the teachers is a wonderful demonstration of the part that the schools are taking in carrying on their share of the war effort and in educating our boys and girls to be capable of directing the affairs of our democracy after the war has been won. We have a war to win and a peace to formulate and enjoy. Nothing else counts, and the schools all over the country are directing their efforts in this direction.

Respectfully submitted,

T. A. DeCOSTA,

Superintendent of Schools.

Report of Health Officer

To the Citizens of Phillips:

I hereby submit my report as Health Officer for the year 1942-1943.

We have indeed been most fortunate in the past year, in that there have been very few contagious and skin diseases.

All children in both rural and village schools have received their annual routine examination, except the Grammar School. Due to the unusual demands upon my time this winter, this will have to be postponed a few weeks. All children with defective vision were referred to an oculist, and many corrections were made.

Dr. Arms very kindly gave his services, and with my help, Small Pox vaccination and Diphtheria toxoid were offered to all the children, and Tuberculin tests in the Grammar and High School. Eighty-two children had the vaccination, sixty-nine the toxoid, and sixty-five the TB test. Of this sixty-five, only seven received a positive reaction.

A positive reaction does not necessarily mean that the child has an active TB, but that at some time he has had an active process, and his system has developed a resistance against it. Any child who has had a positive test should take unusually good care of his health, and should avoid all things which would tend to lower resistance.

X-Rays are taken at reasonable rates, and the children are referred to the free clinic at the Franklin County Memorial Hospital where they are examined by a TB specialist. Of the seven positive tests, six availed themselves of this opportunity. This is a very important test, and I want to urge all parents to take advantage of it.

Dr. Thurlow has done the Dental examination on many of the children, that they might have the completed requirements for a seven point pin.

I am very well pleased with the general health of our boys and girls, and wish to thank all the parents who have cooperated in reporting diseases and correcting defects.

I also want to take this opportunity to urge you to raise money this year for the Public Health Nurse, whose services in the County setup would be most valuable in these busy times.

Respectfully,

DR. C. F. THOMPSON.

Vital Statistics

To the Selectmen of the Town of Phillips:

The following births, deaths and marriages were reported to this office for the year ending February 27, 1943.

BIRTHS

Dec. 8, 1941, in Phillips, to the wife of Clifford Steward, a daughter, named Marion Evelyn.

Feb. 25, 1942, in Farmington, to the wife of William J. Stinchfield, a son, named William John.

Feb. 25, 1942, in Farmington, to Dorothy Harnden, a son, named Gene Arthur.

March 2, 1942, in Phillips, to the wife of Lawrence Adley, a daughter, named Roberta Mary.

March 3, 1942, in Phillips, to the wife of Stanton White, a son, named Michael Paul.

March 16, 1942, in Phillips, to the wife of George Quimby of Rangleley, a daughter, named Heather MacLennan Graham.

April 5, 1942, in Phillips, to the wife of Burnham White, a daughter named Marilyn Esther.

April 11, 1942, in Phillips to Regina Deraps, a daughter, named Mary Louise.

April 11, 1942, in Phillips, to Elinor Kempton, a son, named Richard Carl.

April 15, 1942, in Farmington, to the wife of Andrew Howard, a daughter, named Doris Mildred.

May 29, 1942, in Phillips, to the wife of Earl Abbott, a son, named Phillip Erland Edwin.

May 29, 1942, in Old Orchard Beach, to Rowena Kinney a son, named Robert Malcolm.

June 2, 1942, in Farmington, to Alice Torsey, a son, named Terry Alan.

June 7, 1942, in Phillips, to the wife of Everett Smith, a son, named Everett Theodore.

July 9, 1942, in Phillips, to the wife of Ardine Grant, a son, named Alfred Ernest.

July 14, 1942, in Farmington, to the wife of Alfred Roy, a son, named Ronald Alfred.

June 18, 1942, in Farmington, to the wife of George Prescott, a daughter, named Priscilla Margaret.

Aug. 4, 1942, in Phillips, to the wife of Cyrus Barker, a son, named Cyrus Leroy Jr.

Oct. 16, 1942, in Phillips, to Marion Masterman, a son, named Richard.

Nov. 29, 1942, in Phillips, to the wife of Maurice Toothaker, a son, named Dana Weston.

Dec. 27, 1942, in Farmington, to the wife of Robert Sanders, a daughter, named Joan Lucretia.

Jan. 3, 1943, in Phillips, to the wife of Frederick Smith, a daughter, named Judith Marie.

Jan. 8, 1943, in Farmington, to the wife of Stanley Bubier, a son, named Loyd Carlton.

Jan. 25, 1943, in Phillips, to the wife of Howard Pinkham, a daughter, named Elaine Mabel.

Jan. 31, 1943, in Phillips, to the wife of Cutler Ellis of Rangeley, a son, named Rex Scott.

Feb. 2, 1943, in Phillips, to the wife of Robert Hemingway, a daughter, named Catherine Fay.

MARRIAGES

March 4, 1942, in Phillips, by James B. Ross, clergyman, Saywood B. Ellis of Rangeley and Rebecca J. Pillsbury of Dallas Plt.

March 6, 1942, in Phillips, by Geo. P. Sparks, clergyman, Walter A. McDonald of Freeman and Gladys C. Atwood of Kingfield.

WARRANT

To R. H. Trecartin, a Constable in the Town of Phillips, in the County of Franklin,
Greeting:

In the name of the State of Maine, you are hereby requested to notify and warn the inhabitants of the Town of Phillips, qualified to vote in town affairs, to assemble at Grange Hall in said town, on Monday, the twentieth day of March, A. D. 1944, at ten o'clock in the forenoon, to act on the following articles, to wit:

Article 1. To choose a moderator to preside at said meeting.

Art. 2. To choose a clerk for the ensuing year.

Art. 3. To hear reports and allow accounts of town officers.

Art. 4. To choose selectmen, assessors, overseers of the poor, treasurer, one or more members of the superintending school committee, road commissioner, collector, fire warden, one or more constables, two or more fence viewers, sealer of weights and measures, surveyors of wood and bark, and other town officers required to be elected in March annually.

Art. 5. To raise money for the support of schools.

Art. 6. To raise money to pay interest on school fund.

Art. 7. To raise money for repairs on school property.

Art. 8. To see if the town will vote to maintain a Free High School and raise money for the same.

Art. 9. To see what sum of money the town will vote to raise for the purchase of text-books for the ensuing year, and proceed to raise the same.

Art. 10. To see what sum of money the town will vote to raise for apparatus and appliances for school purposes for the ensuing year, and proceed to raise the same.

Art. 11. To see what sum of money the town will vote to appropriate for the payment of town officers' bills for the past year, and proceed to raise the same.

Art. 12. To see what sum of money the town will vote to appropriate for the payment of town charges for the ensuing year, and proceed to raise the same.

Art. 13. To see what sum of money the town will vote to appropriate for cutting bushes on the improved roads in town, and proceed to raise the same.

Art. 14. To see what sum of money the town will vote to appropriate for the support of highways and bridges in said town for the ensuing year, and proceed to raise the same.

Art. 15. To see what sum of money the town will vote to raise for insurance on school property, and proceed to raise the same.

Art. 16. To see if the town will vote to authorize the selectmen to procure a temporary loan or loans in anticipation of taxes for the purpose of paying obligations of the town, such loan or loans to be paid during the current municipal year out of money raised during said current municipal year by taxes.

Art. 17. To see if the town will vote to raise money to tar village streets, and proceed to raise the same, also to take any other action in regard to the matter.

Art. 18. To see if the town will vote to raise the sum of \$270.00 to pay interest on its outstanding bonds, which will be due and payable during the current municipal year.

Art. 19. To see if the town will vote to raise the sum of \$2,000.00 to pay outstanding bond due April 1st, 1944.

Art. 20. To see what sum, if any, the town will recommend to take from the joint State Aid account for the purpose of applying bituminous surface treatment to State Aid roads, built within the past five years, in accordance with the provisions of Chapter 132, P. L. 1935.

Art. 21. To see what sum of money the town will appropriate and raise for State Aid construction (in addition to the amount regularly raised for the care of ways, highways and bridges) under the provisions of Section 19, Chapter 28, Revised Statutes of 1930, or under the provisions of Section 3, Chapter 229, Public Laws of 1937.

Art. 22. To see if the town will vote to appropriate the sum of \$926.00 for the maintenance of Third Class roads, and proceed to raise the same.

Art. 23. To see what sum of money the town will vote to raise for patrol of State Highway, and proceed to raise the same.

Art. 24. To see what sum of money the town will vote to appropriate for plowing and breaking winter roads, and proceed to raise the same.

Art. 25. To see what action the town will take to instruct the selectmen in acquiring a suitable building to house the town equipment, and proceed to raise money for the same.

Art. 26. To see if the town will vote to purchase snow removal equipment, and proceed to raise money for the same.

Art. 27. To see if the town will vote to continue the school in the Reed district.

Art. 28. To see if the town will vote to continue the school in the Butterfield district.

Art. 29. To see if the town will vote to continue the school in the Blethen district.

Art. 30. To see what sum of money the town will raise for expenses of Alumni Hall for free use to the schools and Home Guard.

Art. 31. To see what sum of money, if any, the town will vote to appropriate for purchasing snow fence, and proceed to raise the same.

Art. 32. To see what sum of money the town will vote to raise for repairs on tractor, and proceed to raise the same.

Art. 33. To see what sum of money the town will vote to appropriate to aid in the observance of Memorial Day, and proceed to raise the same.

Art. 34. To see what sum of money the town will appropriate for the purchase of books and for the support of the Free Public Library, and proceed to raise the same.

Art. 35. To see if the town will vote to authorize its treasurer, and his successor in office, until further action taken by the town, to deed to the proper party any title or interest the town may have acquired in real estate, through tax deeds or tax liens, upon payment to the town of the amount of the tax and such interests and costs as may be determined by the selectmen.

Art. 36. To see what sum of money the town will vote to appropriate for the abatement of taxes for the ensuing year, and proceed to raise the same.

Art. 37. To see if the town will vote to commit the taxes of 1944 on or before the first day of June, and when to make same payable.

Art. 38. To see if the town will vote to instruct the collector to mail a notice to each taxpayer on or before the twentieth of June, A. D. 1944, giving the amount of tax, tax rate, date when unpaid taxes begin to draw interest, and the rate of interest.

Art. 39. To see what sum of money the town will vote to appropriate for the support of poor for the ensuing year, and proceed to raise the same.

Art. 40. To see what sum of money the town will vote to raise and appropriate for advertising our natural resources, advantages and attractions, under the provisions of Chapter 5, Section 82, of the Revised Statutes of 1930, said sum to be expended under the direction of the State Publicity Bureau.

Art. 41. To see what sum of money the town will raise to pay for the services of a school physician, the same to be the health officer.

Art. 42. To see if the town will vote to accept the Cemetery Trust Funds as printed.

Art. 43. To transact any other business that may legally come before said meeting.

The Selectmen hereby give notice that they will be in session for the purpose of revising and correcting the list of voters, at Grange Hall, in said town, at nine o'clock in the forenoon, on the day of said meeting.

Given under our hands at Phillips, Maine, this twenty-eighth day of February, A. D. 1944.

LEON R. WING,
CHARLES E. TOOTHAKER,
HAROLD W. WORTHLEY,

Selectmen of Phillips.

Report of Selectmen, Assessors and Overseers of the Poor

To the Citizens of the Town of Phillips:

We hereby submit the following report of receipts and expenditures for the year ending February 28, 1944:

In accordance with the request of your Municipal Officers, we have completed an examination of the accounts of your town officials for the year ended February 28, 1944.

In our opinion, based upon such examination, the financial condition of your municipality is as presented on the accompanying balance sheet.

M. G. ALLEN,
L. D. DANIELS,

Auditors.

T. A. DeCOSTA,

Superintendent of Schools.

Principal's Report

To the Superintendent of Schools:

School opened in September with an enrollment of 61 students. During the fall and winter three students entered school, and nine left, making our present enrollment 55. Fifteen of these are tuition pupils from Avon and seven from Madrid. Three of the boys who left school are already in the service.

There were ten students in our graduating class last June. Earl Eustis passed the V-XII examination and July 1st will have completed three semesters of College training at Bates. Charles Ellicott passed the Army examination and entered the University of Maine. Nelda Thompson entered Simmons College, and Myr Lyn Wilbur entered Fisher's Business College. Phyllis Knapp is training at the Maine General Hospital and Nathalie Edwards at the Central Maine General Hospital.

I have just received the sad news that Everett Walker, another member of the class of 1943, passed away last evening. Everett was a very popular member of his class, an excellent student, and always interested in school activities.

Last spring we offered a course in the Morse Code, and at the end of the year several students were able to receive twelve words per minute. We started another class this year and this same group are now starting a course in practical physics. We have tried to adapt all our present courses to meet the need of the boys who will soon be going into the Army.

I feel that our physical educational program is practical and beneficial to all. It is not our aim to make these exercises too strenuous, but a few minutes devoted to setting-up exercises, deep breathing, hiking, and games should be a part of any educational program.

Achievement tests were given all students this winter. These tests are both interesting and valuable, and the business world seems more interested in the results of achievement and mental tests than the grades received in the regular subjects.

It is expected that all students will be finger printed sometime this spring, and these will be kept on file in our local records and also at Augusta and Washington.

Last year the news sheet was published for the first time. This was printed and sent to all in the service each month. We are doing the same this year and from all reports this seems to be very much appreciated by the boys.

I know that all teachers join me in wishing our Superintendent a speedy recovery from his recent illness. We miss Mr. DeCosta around the building and hope he will be back with us soon. A word of commendation is due Mrs. Wing, who is carrying on the office work so efficiently in his absence.

In closing, I want to urge all parents to keep their boys and girls in school as long as possible. I realize that good positions and high wages are tempting today, but I feel that the high school education will be of real value in the post-war years.

Respectfully submitted,

P. G. WHITTEMORE,

Principal Phillips High School.

Report of the Health Officer

To the Citizens of Phillips:

I hereby submit my annual report as School Physician for the year 1943-1944.

The past year has been quite uneventful in the physical record of the school. The Flu epidemic in January caused many absences, but fortunately the most of them were of short duration.

The vaccinations and inoculations were offered last spring, and many children availed themselves of these.

All the grades and rural schools have had their routine examinations, and there were several with diseased tonsils. These should be removed during the summer months as they cause the child to be backward in school, to lose much time due to colds and sore throats, and are often the contributing cause of bad hearts and ears.

Reports have been sent to the parents, and any corrections suggested should be given attention. Certainly no parent wants to be guilty of depriving his child of everything he can get from our school system, and his health is his biggest asset.

Respectfully,

DR. C. F. THOMPSON.

Vital Statistics

To the Selectmen of the Town of Phillips:

The following births, deaths and marriages were reported to this office for the year ending February 28, 1944.

BERTHA AUSTIN, Town Clerk.

BIRTHS

Jan. 17, 1943, in Farmington, to the wife of James E. Toothaker, a son, named Bruce Beal.

Feb. 14, 1943, in Farmington, to the wife of George A. Toothaker, a son, named Stephen Wallace.

Feb. 15, 1943, in Farmington, to the wife of Winston S. Hoyt, a son, named Myron Spencer.

Feb. 18, 1943, in Farmington, to the wife of Vance O. Brown, a daughter, named Sandra Chloe.

Feb. 19, 1943, in Farmington, to the wife of Russell L. Stinchfield, a daughter, named Sally Ann.

March 12, 1943, in Phillips, to the wife of Glenn Pinkham, a son, named Lawrence Harold.

March 12, 1943, in Farmington, to the wife of Richard F. Raymond, a son, named Delmar Richard.

March 15, 1943, in Farmington, to the wife of Leon M. Sanders, a daughter, named Diane Leona.

March 29, 1943, in Farmington, to the wife of John Newton Davenport, a son, named John Newton, Jr.

April 25, 1943, in Phillips, to the wife of Herman R. Tyler, Jr., a son, named Herman Ray, 3rd.

May 18, 1943, in Phillips, to the wife of Bainbridge Colby Prescott, a son, named Lincoln Edward.

June 3, 1943, in Farmington, to the wife of Kenneth J. Twitchell, a son, named Stephen Forrest.

June 17, 1943, in Avon, to the wife of Lawrence Adley, a son, named Michael Robert.

June 17, 1943, in Avon, to the wife of Lawrence Adley, a son, named Mendel Russell.

June 30, 1943, in Farmington, to the wife of Montford E. Kenniston, a son, named Peter Torsey.

Aug. 9, 1943, in Phillips, to the wife of John Philip Morgan, a son, named Dennis Philip.

WARRANT

To R. H. Trecartin, a Constable in the Town of Phillips, in the County
of Franklin, Greeting:

In the name of the State of Maine, you are hereby requested to notify and warn the inhabitants of the Town of Phillips, qualified to vote in town affairs, to assemble at Alumni Hall in said town, on Monday, the nineteenth day of March, A. D. 1945, at ten o'clock in the forenoon, to act on the following articles, to wit:

Article 1. To choose a moderator to preside at said meeting.

Art. 2. To choose a clerk for the ensuing year.

Art. 3. To hear reports and allow accounts of town officers.

Art. 4. To choose selectmen, assessors, overseers of the poor, treasurer, one or more members of the superintending school committee, road commissioner, collector, fire warden, one or more constables, two or more fence viewers, sealer of weights and measures, surveyors of wood and bark, and other town officers required to be elected in March annually.

Art. 5. To raise money for the support of schools.

Art. 6. To raise money to pay interest on school fund.

Art. 7. To raise money for repairs on school property.

Art. 8. To see if the town will vote to maintain a Free High school and raise money for the same.

Art. 9. To see what sum of money the town will vote to raise for the purchase of text-books for the ensuing year, and proceed to raise the same.

Art. 10. To see what sum of money the town will vote to raise for apparatus and appliances for school purposes for the ensuing year, and proceed to raise the same.

Art. 11. To see what sum of money the town will vote to appropriate for the payment of town officers' bills for the past year, and proceed to raise the same.

Art. 12. To see what sum of money the town will vote to appropriate for the payment of town charges for the ensuing year, and proceed to raise the same.

Art. 13. To see what sum of money the town will vote to appropriate for cutting bushes on the improved roads in town, and proceed to raise the same.

Art. 14. To see what sum of money the town will vote to appropriate for the support of highways and bridges in said town for the ensuing year, and proceed to raise the same.

Art. 15. To see what sum of money the town will vote to raise for insurance on school property, and proceed to raise the same.

Art. 16. To see if the town will vote to authorize the selectmen to procure a temporary loan or loans in anticipation of taxes for the purpose of paying obligations of the town, such loan or loans to be paid during the current municipal year out of money raised during said current municipal year by taxes.

Art. 17. To see if the town will vote to raise money to tar village streets, and proceed to raise the same, also to take any other action in regard to the matter.

Art. 18. To see if the town will vote to raise the sum of \$210.00 to pay interest on its outstanding bonds, which will be due and payable during the current municipal year.

Art. 19. To see if the town will vote to raise the sum of \$2,000.00 to pay outstanding bond due April 1st, 1945.

Art. 20. To see what sum, if any, the town will recommend to take from the joint State Aid account for the purpose of applying bituminous surface treatment to State Aid roads, built within the past five years, in accordance with the provisions of Chapter 132, P. L. 1935.

Art. 21. To see what sum of money the town will appropriate and raise for State Aid construction (in addition to the amount regularly raised for the care of ways, highways and bridges) under the provisions of Section 19, Chapter 28, Revised Statutes of 1930, or under the provisions of Section 3, Chapter 229, Public Laws of 1927.

Art. 22. To see if the town will vote to appropriate the sum of \$926.00 for the maintenance of Third Class roads, and proceed to raise the same.

Art. 23. To see what sum of money the town will vote to raise for patrol of State Highway, and proceed to raise the same.

Art. 24. To see what sum of money the town will vote to appropriate for plowing and breaking winter roads, and proceed to raise the same.

Art. 25. To see what sum of money the town will vote to raise for the improvement of the cemeteries in town, and proceed to raise the same.

Art. 26. To see if the town will vote to continue the school in the Reed district.

Art. 27. To see if the town will vote to continue the school in the Butterfield district.

Art. 28. To see if the town will vote to continue the school in the Blethen district.

Art. 29. To see what sum of money the town will raise for expenses of Alumni Hall for free use of the schools.

Art. 30. To see what sum of money, if any, the town will vote to appropriate for purchasing snow fence, and proceed to raise the same.

Art. 31. To see what sum of money the town will vote to appropriate to aid in the observance of Memorial Day, and proceed to raise the same.

Art. 32. To see what sum of money the town will appropriate for the purchase of books for and for the support of the Free Public Library, and proceed to raise the same.

Art. 33. To see if the town will vote to authorize its treasurer, and his successor in office, until further action taken by the town, to deed to the proper party any title or interest the town may have acquired in real estate, through tax deeds or tax liens, upon payment to the town of the amount of the tax and such interests and costs as may be determined by the selectmen.

Art. 34. To see what sum of money the town will vote to appropriate for the abatement of taxes for the ensuing year, and proceed to raise the same.

Art. 35. To see if the town will vote to commit the taxes of 1945 on or before the first day of June, and when to make same payable.

Art. 36. To see if the town will vote to instruct the collector to mail a notice to each taxpayer on or before the twentieth of June, A. D. 1945, giving the amount of tax, tax rate, date when unpaid taxes begin to draw interest, and the rate of interest.

Art. 37. To see what sum of money the town will vote to appropriate for the support of poor for the ensuing year, and proceed to raise the same.

Art. 38. To see whether or not the town will vote to raise and appropriate the sum of Fifty Dollars (50.00) to be paid to the State of Maine Publicity Bureau to be expended and used for advertising the natural resources, advantages and attractions of the State of Maine in accordance with the provisions of Chapter 5, Section 82, of the Revised Statutes of Maine.

Art. 39. To see if the town will vote to authorize the superintending school committee to appoint a school physician and what sum of money the town will raise to pay for the services of same.

Art. 40. To see if the town will vote to accept the Cemetery Trust Funds as printed.

Art. 41. To see what action the town will take in regard to the removal of the Lower and Upper Village watering tubs.

Art. 42. To see if the town will raise and appropriate \$150.00 for public health nursing in Phillips, said sum to be expended by the State Bureau of Health for local services.

Art. 43. To see if the town will vote to accept as a town road the road running over the railroad bed from Toothaker Pond to Madrid town line, one mile, as laid out by the Selectmen.

Art. 44. To see if the town will vote to accept the Toothaker Park property as purchased by the Selectmen.

Art. 45. To see what sum of money the town will vote to raise for Mothers' Aid and proceed to raise the same.

Art. 46. To see if the town will vote to raise the sum of \$504.53, the same being the amount expended by the Selectmen on the West Phillips river job.

Art. 47. To see what action the town will take in regard to the payment of the \$8,000.00 temporary loan for the new truck, which will be due March 1st, 1946.

Art. 48. To transact any other business that may legally come before said meeting.

The Selectmen hereby give notice that they will be in session for the purpose of revising and correcting the list of voters, at Alumni Hall, in said town, at nine o'clock in the forenoon, on the day of said meeting.

Given under our hands at Phillips, Maine, this twenty-eighth day of February, A. D. 1945.

LEON R. WING,
HAROLD W. WORTHLEY,
WARREN RONCO,
Selectmen of Phillips.

School Department, Town of Phillips

Report of Superintendent of Schools

To the Superintending School Committee:

There never was a time when our educational system was not in process of rapid change, but because of circumstances in which we find ourselves at present that process has been violently accelerated. Far heavier demands are being made on our schools than ever before. These demands involve fundamental changes in our methods and procedures. It appears that more far-reaching changes lie immediately ahead of us. We know neither conditions which will govern these changes nor the content to be taught. Parents' anxieties and hopes about the education of their children are keener than ever before. They are wondering what the educational opportunities for their children will be. We must strive to give the kind of training needed as a preparation for living.

It would be in keeping with the trend in the state if our school-year were increased to thirty-seven weeks since under the thirty-six week plan it is difficult to secure the one hundred eighty days which are required to be eligible for equalization money. This year the teachers voluntarily set up a thirty-seven week year.

I am suggesting that the various towns which comprise this school Union unite to engage a full-time music teacher. Undoubtedly the citizens are well aware of the advantages of this undertaking and, I hope, they will feel that their children should not be deprived of this type of education.

Since all of our seats are old, obsolete and antiquated, I would strongly recommend that five hundred dollars be appropriated in order to purchase up-to-date seating units for one room and that this procedure be continued annually until we are equipped with modern hygienic equipment.

In looking over our financial report which follows you will note that we did not qualify for equalization money last year, hence, a loss of over fourteen hundred dollars. This loss is due to the fact that our tax rate was below the average for that of the state.

We have endeavored to increase the efficiency of your schools and always welcome constructive criticism. If at any time there arises questions in the minds of interested citizens regarding our policies we would be glad of an opportunity to discuss them. Many procedures which may appear unwise to the uninitiated are often defended by those who have taken the trouble of learning the facts.

What the best and wisest parent wants for his own child, that must the community want for all its children. — John Dewey.

Respectfully submitted,

FRANCIS M. MALCOLM,

Superintendent of Schools.

Report of Public Health Nurse

During the past year your Public Health Nursing Service has been re-established. Of course, you all know that many of our nurses are now in the military services, that it has been and continues to be difficult to meet all the nursing needs of both the military and civilian population. This is a situation none of us like. It is a situation we must face and treat with as much wisdom and power as we possess. Even now — perhaps, now more than ever, we are working for the future health of a nation. Our goal — optimum health for all — is still clear before us.

I know you are all interested in what has been accomplished in your own community. Many of you have become personally acquainted with one or another part of the nursing service.

School work has taken rather a prominent place in the duties of the nurse. Immunizations for smallpox were given to 79 pupils, and for diphtheria to 87 pupils. These were given in the spring and again in the fall. Following films on control of tuberculosis, 96 students were skin tested for this disease. Positive reactors to this test were urged to have follow-up x-rays and plans were discussed for this. Conferences have been held with your teachers and health conditions have been discussed: When it has seemed advisable, home visits have been made by the nurse and an attempt has been made to solve the health problem. Assistance was given the physician when he gave physical examinations in the school.

Because of the emergency maternal and infant care program provided for the families of servicemen, this group has received considerable attention. It is a well recognized fact that health should start with the mother and baby. Thirty-four visits have been made with this thought in mind.

A Child Health Conference was held and at this time 12 infants and preschool children were immunized against smallpox and 11 against diphtheria; 18 were in attendance at the conference.

The services for Crippled Children has been used in the interest of all known crippled children. This service is greatly appreciated by all who have occasion to avail themselves of it.

The follow-up of cases of syphilis and gonorrhea is a part of our communicable disease program.

It is hoped that, in another year, more physical defects will be corrected, that more parents will avail themselves of the opportunity to have their children protected from smallpox and diphtheria, and that the Child Health Conference will be used by many more parents for the physical examinations and immunizations of their infant and preschool children.

Your nurse wishes to take this opportunity to thank you for helping to make her first year with you a happy one.

Respectfully submitted,

HAZEL J. HOYT, R. N.

Report of the Health Officer and School Physician

To the Citizens of Phillips:

I hereby submit my report for the year 1944-45.

During the Fall Term 255 scholars were given their routine examinations. I was assisted by Hazel J. Hoyt, R. N., Public Health Nurse.

In the Spring and Fall with the assistance of Dr. B. L. Arms of the State Department of Health, and Miss Hoyt, 79 were vaccinated against Smallpox; 87 were given the Toxoid inoculations for immunization against Diphtheria. 93 students and citizens were given the patch-test for T. B.

At least 10 who showed a positive tuberculin test were X-rayed by the State Health Dept. Clinic.

The Public Health Nurse has done a fine piece of work in following up these cases and helping to arrange for the proper corrections to be made.

In closing, I want to thank every citizen and tax-payer for their kind assistance and cooperation which has made this health service possible for our boys and girls.

Respectfully,

CECIL F. THOMPSON, M. D.

Vital Statistics

To the Selectmen of the Town of Phillips:

The Maine Town and City Clerks Association voted at their annual meeting to discontinue the publishing of vital statistics by name — such a report and listing being of no value to a town as a report.

We are reporting the total number of Births, Deaths and Marriages for the year ending Feb. 17, 1945 as follows:

Births	18
Deaths	37
Marriages	19

BERTHA AUSTIN, *Town Clerk.*
